Collège Alpin International

Teacher of Design Technology/STEM - Required, September 2019

College Beau Soleil

At Beau Soleil, we believe it's what you do that counts. This philosophy holds true from the classroom to the boarding houses and well beyond, for both our students and for our staff. Whether you are teaching an IBDP class, or helping staff one of our amazing expeditions, we are a school that believes in the power of action, engagement and participation.

Students at Beau Soleil experience a unique, holistic education which is built around four core values: Respect, Responsibility, Ambition and Determination. These values underpin our educational and pastoral offer, providing a strong moral compass to our diverse, international community made up of students from nearly sixty countries around the world.

Drawing upon our fantastic alpine location, Beau Soleil offers curricular programmes in both English and French. Students follow the IMYC, IGCSE, IBDP or High School Diploma programmes within the International Section and, for the French Section, the French Brevet and Baccalaureate programme. Students also participate in a world class programme of service learning, adventure and expeditions, designed to build their personal resilience, character and compassion.

College Beau Soleil is a member of the Nord Anglia Education group of schools which offers staff the opportunity to share in a worldwide network of schools as well as benefitting from the professional training opportunities of the world's leading premium schools organisation.

Our Community

High quality teaching and learning lies at the heart of the ongoing development of the Beau Soleil educational experience. Our teachers are passionate about their subjects and work together to produce exceptional results. Creativity and innovation, energy and high expectations shape our approach. Professional development and training opportunities abound, and we believe in growing talent and supporting great teachers in their career paths.

Our pastoral team is devoted to the welfare of boarders. Every effort is made to ensure that students have access to the best services, emotional support and a warm family atmosphere whilst they are at school. All teachers play an important role as tutor in one of the 5 houses, coaching students and supporting the boarding team.

Students and staff share a real sense of pride in the school and its achievements: a pride that we hope you will see if you visit us for interview.

Teacher of Design Technology/STEM required for September 2019

Are you an inspirational teacher looking for an amazing opportunity in a highly successful and prestigious school? The College Alpin Beau Soleil is looking for an experienced and qualified teacher of Design Technology to join our team. We welcome applications from exceptional, self-motivated and reflective professionals with the right blend of energy and experience, and a passion for teaching that embraces change and innovation.

This is a new role for September, so ideal for a teacher who is looking to make their mark and build something extraordinary, innovative and brand new. Leading the learning of students aged 11 to 16 in Design Technology, you will be an outstanding classroom practitioner with the ability to transmit your passion and knowledge to inspire the next generation of engineers, designer makers and artisans.

The STEM programme will be established in our Junior and Middle School years (UK equivalent to KS3/KS4). Working under the direction of the Faculty Leader, you will be responsible for curriculum development, implementation of STEM activities and theme based projects. You will enjoy working with a range of abilities, ages and nationalities.

Amongst other things, you'll be well organised, have a good sense of humour and will want to participate fully in the extra-curricular aspects of school life including the boarding provision as well as the classroom. Ideally, you will already have a basic level of French language and be keen to develop your language skills.

In addition to being highly successful in its own right, the College Alpin Beau Soleil is a member of the Nord Anglia Education family of premium international schools. This means you'll be joining an international team in which thoughts and ideas are shared around the globe as we strive to make our schools the very best in the world. You will have the security and opportunities that come from being part of a high quality global organisation dedicated to education and professional development.

In return for your passion to deliver the highest quality all-round boarding education you will enjoy a competitive salary, and places in the school for your children. You will also have the opportunity to live in and work in the stunningly beautiful Swiss Alpine ski resort of Villars sur Ollon.

Here at the College Alpin Beau Soleil, we are a close knit team who are proud of our school and boarding community. We educate 250 young people from nearly 60 countries, preparing them for futures as impactful global citizens. If you'd like to be a part of our on-going success, please get in touch; we'd love to hear from you.

HOW TO APPLY

Applications should be made via the Nord Anglia Education recruitment website at <http://www.beausoleil.ch/en/about-us/employment-opportunities> and should contain a CV, letter of application and the details of two professional referees.

The closing date for applications is January 5th, 2019. Successful short listed candidates will be contacted with initial discussions conducted remotely by telephone or Skype. A second round of interviews will take place at the Nord Anglia Education Recruitment Event in central London in the week commencing 21st January 2019 (alternative arrangements will be made for candidates who cannot attend in person).
