00974 4034 9888

April 2019

Dear Candidate,

Thank you for your interest in a position with Nord Anglia Education at Compass International School Doha. Our school is housed over several campuses within close proximity of each other.
Nord Anglia Education is the world's leading premium international school's organization with 61 schools spread over the globe. Attached to this pack is a letter from Nord Anglia Education which sets out the unique benefits that are available to staff at Compass International School Doha.

At our Rayyan and Gharaffa Campuses, we follow the Early Years Foundation Stage Programme followed by the International Primary Curriculum, using the English National Curriculum for mathematics and English from Years 1 to 6. Our Madinat Khalifa Campus caters for Primary children following the same programmes on offer at the other two campuses. The school also offers a Secondary School programme using the English National Curriculum for Year 7, 8 and 9 followed by IGCSEs in Years 10 and 11. This leads to the prestigious IB Diploma Programme in Years 12 and 13. We are proud of our accreditation as an IBO World School having achieved this for our first cohort in 2014.

Our students come from a wide mix of backgrounds and cultures with over 60 different nationalities represented. Many of our parents are ex-pats working away from their home country but we also educate a number of local students (currently 19% of the total student population).

Recognizing that outstanding people create outstanding schools, we are keen to attract high quality candidates to maintain and extend the continued growth of the school, our students and our staff. I look forward to hearing from you and reading your application to join our team in Doha.

Kind regards,

Dr Terry Creissen OBE MBA MA FCIM FRSA
Executive Principal
