## Your Profile

Are you an inspirational teacher looking for an amazing opportunity in a highly successful and prestigious school? The College Alpin Beau Soleil is looking for an experienced and qualified teacher of Economics and Business Management to join our team. We welcome applications from exceptional, self-motivated and reflective professionals with the right blend of energy and experience, and a passion for teaching that embraces change and innovation.

Eager to share your passion for Economics and Business Management, you will be looking for a post that enables you to work with a range of students from all around the world in a truly international setting. Whether it is encouraging intellectual curiosity in our youngest students as they ask big questions about the world, or advising a Grade 12 IB student on the fine tuning of their Internal Assessment data, our Economics and Business Management teachers play a core role in building students' knowledge, skills and appreciation of the world around them. With the opportunity to work within a creative and forward looking Humanities faculty, this post is perfect for teachers who are keen to share ideas, learn from others and set the highest expectations of themselves and their classes.

Amongst other things, you'll be well organised, have a good sense of humour and will want to participate fully in the extra-curricular aspects of school life including the boarding provision as well as the classroom. We have a comprehensive learning programme that includes Saturday morning academics and exciting challenges ranging from climbing 4000m peaks to night time ski racing. Ideally, you will already have a basic level of French language and be keen to develop your language skills.

In addition to being highly successful in its own right, the College Alpin Beau Soleil is a member of the Nord Anglia Education family of premium international schools. This means you'll be joining an international team in which thoughts and ideas are shared around the globe as we strive to make our schools the very best in the world. You will have the security and opportunities that come from being part of a high quality global organisation dedicated to education and professional development.

In return for your passion to deliver the highest quality all-round boarding education you will enjoy a competitive salary, and places in the school for your children. You will also have the opportunity to live in and work in the stunningly beautiful Swiss Alpine ski resort of Villars-sur-Ollon.

Here at the College Alpin Beau Soleil, we are a close knit team who are proud of our school and boarding community. We educate 250 young people from nearly 60 countries, preparing them for futures as impactful global citizens.
