OUR PHILOSOPHY

At Beau Soleil, we believe it's what you do that counts. This philosophy holds true in all that we do as staff and for our students. We are a community that believes in the power of action, engagement and participation, inside and outside of the classroom.

Our unique holistic education is built around four core values: Respect, Responsibility, Ambition and Determination, which provide a framework to community life for our international

student body. Our students come from over fifty different countries, with diverse academic backgrounds and a wide range of future aspirations.

With curricular programmes in both English and French, students graduate with an IB, or Advanced Studies Diploma. Within this framework, small class sizes allow for a flexibility of programme and staff are encouraged and supported to bring new ideas to all that they do.

OUR STAFF

As a full boarding school, our staff are involved in all aspects of school life, sharing time in the classroom, in the boarding houses, out on the mountain and travelling the world. You may find yourself teaching an IBDP class in the morning, helping to staff one of our amazing expeditions in the afternoon, or accompanying a group to surf in Bali during the holiday period.

Professional development and training opportunities abound, and we believe in growing talent and supporting great teachers in their career paths. As a member of the Nord Anglia Education group of schools there are opportunity for ongoing professional training and exchange amongst the world's leading premium schools organisation.

"We want our staff to share their passions, outside of their traditional teaching role, with our students, where they make use of our alpine surroundings and inspire others to lead healthy and adventurous lifestyles. Why not teach a history lesson during the day and blast the downhill bike trails in the afternoon with students?"

Mr Stephen O'Hara
Director of Co-curricular

OUR COMMUNITY

Our location in the heart of Villars-sur-Ollon, offers an enviable lifestyle with access to skiing in the winter months and a multitude of outdoor and sporting activities throughout the year. Montreux, Lausanne and Geneva are all within easy reach for cultural adventures and inspiration.

The Beau Soleil campus is an inspiring place to work with facilities that are second to none. Our ongoing campus development and maintenance programme ensures that our students and staff thrive in an environment of which they can be rightly proud.

“One of the aspects of teaching at Beau Soleil that I appreciate most is that I am encouraged to be as creative as possible in the classroom: to try new projects; plan exciting cross-curricular opportunities; expand the learning beyond the classroom.”

YOUR PROFILE

As a Housemaster or Housemistress at College Beau Soleil you will play a key part in our ongoing drive to raise the quality of everything we do. Together we ensure that our students enjoy an extraordinary holistic education within the exceptional alpine setting of Villars-sur-Ollon.

As part of the boarding team, our Deputy Housemasters and Housemistresses perform an invaluable role supporting the Housemaster or Housemistress in creating and maintaining a home from home family environment in which students feel secure and well supported throughout their time at Beau Soleil.

Working closely with an experienced Housemaster or Housemistress, and deputising for them by taking charge of the house in their absence, you will share responsibility for the all-round welfare of the young people in your boarding house.

Working closely with the rest of the team and liaising daily with tutors, teachers, academic leaders and senior leaders, your support will enable the students in your boarding house to thrive and fulfil their potential in all areas of their life at Beau Soleil.

Deputy Housemasters and Housemistresses teach a reduced number of lessons as part of our academic curriculum.

Amongst other things, you'll be well organised, have a good sense of humour and will want to participate fully in the extra-curricular aspects of school life in both the boarding house and the classroom. We have a comprehensive learning programme that includes Saturday morning academics and exciting challenges ranging from climbing 4000m peaks to night time ski racing.
