

December 2017

Dear Colleague,

Thank you for your interest in working at the British International School, Abu Dhabi.

Our school was opened in 2009, and in a short period of time has grown to be one of the leading schools in the UAE. There are approximately 1,720 students on roll at present, from ages 3 to 18, educated every day by a talented, passionate and collaborative team of teachers.

BIS Abu Dhabi follows the UK National Curriculum up to (I)GCSE and then the IB Diploma Programme at post-16. We have an inclusive ethos and aim for high standards for all students, whatever their background or ability. Above all, we value and celebrate our international ethos. With over 70 nationalities amongst our student body, ours is a diverse community which has a wonderfully supportive and friendly atmosphere.

Our school is part of Nord Anglia Education, the world's leading premium schools organisation. We are a global family of 47 premium international schools located in 15 countries across China, Europe, the Middle East, North America and Southeast Asia. A Nord Anglia Education student will benefit not only from the richness and expertise within their own school environment but also from other schools across the Nord Anglia Education family through our Global Campus.

As a fast-growing family of schools, we also offer unique opportunities for you to grow professionally and develop your career. In addition to gaining exceptional experience in our schools, our teachers have access to a wide range of resources and support to enhance their success. We offer every teacher extensive training and resources through Nord Anglia University, our vibrant professional development community. Through unique collaborations with The Juilliard School and the Massachusetts Institute of Technology (MIT), you will also get unrivalled access to world leading experts in the performing arts and STEAM subjects (science, technology, engineering, arts and maths). Our collaboration with King's College London, exclusive to Nord Anglia staff, gives you a chance to earn your Executive Master's in International Education.

The British International School Abu Dhabi is a positive and happy environment in which teachers thrive. We place a strong emphasis on our community and the way we work together, our three school values of Kindness, Honesty and Respect at the forefront. Going "the extra mile" is the norm, and in return you will find supportive parents, appreciative and inspirational students, and highly professional and dedicated colleagues working alongside you.

You can find out further information from our website and you are very welcome to contact us directly if there are any particular questions we can assist with. If you feel that BIS Abu Dhabi might be something you would like to be part of then I very much look forward to receiving your application.

Yours sincerely,

Patrick Horne  
Principal
